

## **Golf Tournament Format Captain's Choice**

Everyone tees off, the team chooses the drive they want to use, and everyone plays from there. This continues with each shot until the ball is holed.

- Teams must use everyone's drive at least twice during the round
- You can improve your lie anywhere on the golf course by moving it one club length
- You must keep your ball in similar condition – if you're in the rough, hazard, fringe, etc., you must keep it in that condition
- Record your team scores on the scorecard and turn them in at the end of the round
- **Maximum team score per hole is bogey – pick up after that**
- For tournament play, there will be bogey scoring maximum on each hole. The team who has not completed a hole once they have reached a bogey score should pick up their ball, regardless of where the ball is located, and record a bogey score on their scorecard for that hole
- The bogey maximum score for each hole will equate to:
  - Par 3 holes – maximum score recorded would be 4
  - Par 4 holes – maximum score recorded would be 5
  - Par 5 holes – maximum score recorded would be 6
- If you are playing in a group with less than four people, you will rotate who will take the fourth attempt at each shot throughout the hole
- **No Mulligans** – play the ball where it lies
- Men will play from the white tees; ladies from the red tees
- **Closest to Pin Contest** – on holes 3, 8, 11 and 15
- **Longest Drive Contest** – on holes 13 and 11
- Prizes will be awarded after play. Raffle prizes can be picked up at the prize table after play is complete.
